DISCLAIMER OF CLAIMS IN PATENT UNDER 37 CFR 1.321(a)

Sir:

The undersigned is the representative of the sole assignee of record (See Notice of Recordation of Assignment dated December 27, 2000, reel/frame: 011186/0466).

The Patent and Trademark Office ("PTO") has informed the assignee of record that claims 22-26 of the above-identified patent were inadvertently published therein. As a matter of background, a restriction requirement was made during the prosecution of the above patent, and these claims were not elected under the restriction requirement and were not allowed by the Examiner. The claims were never cancelled and apparently were appended to the allowed claims when the patent issued. The Applicants did, however, file a divisional application (U.S. Patent Application No. 10/353,381), which claims the subject matter of claims 22-26 of the above-identified patent. A Notice of Allowance has been issued in respect of all of the claims of U.S. Patent Application No. 10/353,381 and issuance is forthcoming. The PTO has informed Applicants that a disclaimer should be filed by Applicants in respect of claims 22-26 in U.S. Patent 6,549,901, so that issuance may proceed in respect of Patent Application No. 10/353,381,

50277-0367

and the claims in question may be included in the patent that issues from Patent Application No. 10/353,381.

Therefore, in accordance with the instructions of the PTO, Applicants hereby disclaim claims 22-26 in U.S. Patent No. 6,549,901. Applicants make this disclaimer solely for the clerical purpose of removing the claims from U.S. Patent No. 6,549,901, so that they can be pursued and properly issue in the patent to be issued based on Patent Application No. 10/353,381. Applicants in no manner whatsoever dedicates disclaimed claims 22-26 to the public, and this disclaimer in no way impairs Applicants right to claim the subject matter of claims 22-26 in patent applications or patents other than U.S. Patent No. 6,549,901.

The Commissioner is authorized to charge our Deposit Account No. 50-1302 for the fee due under 37 CFR 1.20(d) in the amount of \$110.00 for this Disclaimer.

Respectfully submitted,

HICKMAN PALERMO TRUONG & BECKER LLP
